## QUALITY POLICY

---

**Packaging Matrixx**, printers of specialty packaging products, are committed to providing total customer satisfaction through quality, cost effective and reliable services.

We shall achieve this goal by:

- Making every effort to perform all tasks on time, every time and enhance customer satisfaction through defect free products
- Using state-of-the-art equipment and technology, well trained and motivated personnel, to meet and exceed expectations of customers
- Creating an environment which encourages team effort and where each individual's contribution is recognized and valued
- Striving for continual improvements in all our activities
